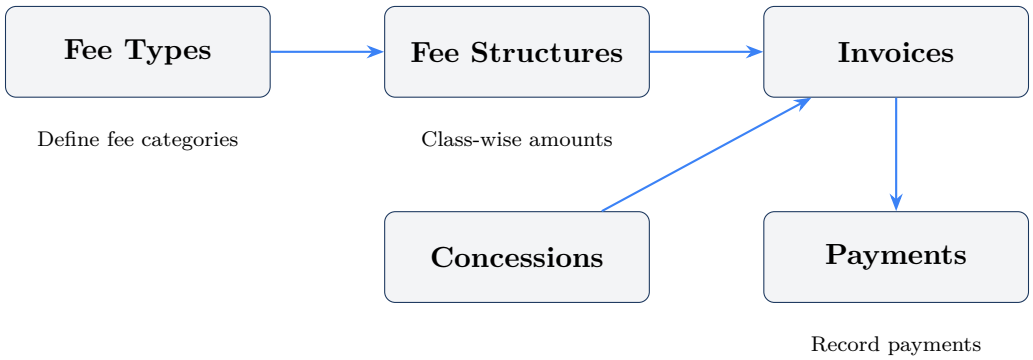
Chapter 1

Fee Management Overview

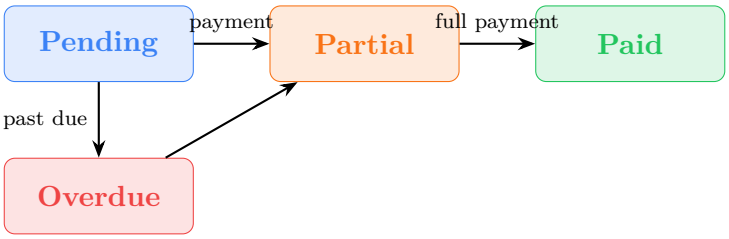
1.1 Introduction

The Fee Management module handles all financial aspects of student billing, from fee structure setup to payment collection and reporting.

1.2 Fee System Components



1.3 Invoice Lifecycle



Chapter 2

Fee Types Configuration

2.1 Overview

Fee Types define the categories of fees your school charges (e.g., Tuition, Transport, Lab Fee).

2.2 Creating Fee Types

Navigate to `Fees` → `Fee Types` → `Add`

Field	Required	Description
Name	Yes	Fee type name (e.g., "Tuition Fee")
Description	No	Detailed description
Is Monthly	Yes	Whether charged every month
Is Refundable	No	Can be refunded if student leaves
Account Code	No	For accounting integration
Display Order	No	Order in invoices

2.3 Common Fee Types

Tuition Fee	Admission Fee	Transport Fee
Lab Fee	Computer Fee	Sports Fee
Library Fee	Exam Fee	Annual Charges

Chapter 3

Fee Structures

3.1 Overview

Fee Structures define the actual amounts charged per class for each fee type.

3.2 Creating Fee Structures

Navigate to `Fees` → `Fee Structures`

1. Select **Class**
2. Select **Fee Type**
3. Enter **Amount**
4. Set **Academic Year**
5. Set **Effective From** date
6. Save structure

3.3 Example Fee Structure

Fee Structure 2025-2026

Class	Tuition	Transport	Total
Playgroup	PKR 3000	PKR 2000	**PKR 5000**
Nursery	PKR 3500	PKR 2000	**PKR 5500**
Class 1-5	PKR 4000	PKR 2500	**PKR 6500**
Class 6-8	PKR 5000	PKR 2500	**PKR 7500**
Class 9-10	PKR 6000	PKR 3000	**PKR 9000**

Chapter 4

Invoice Management

4.1 Invoice Generation

4.1.1 Single Invoice

1. Go to `Fees` → `Generate Invoice`
2. Select student
3. Select month
4. Review fee items (auto-calculated from structure)
5. Apply any manual adjustments
6. Generate invoice

4.1.2 Bulk Invoice Generation

1. Go to `Fees` → `Bulk Generate`
2. Select class/section or all students
3. Select month(s)
4. Preview invoices
5. Generate all invoices

4.2 Invoice Components

INVOICE

Invoice No: INV-2025-0001
Student: Ahmed Khan (Class 5A)
Month: January 2025

Tuition Fee	PKR 4,000
Transport Fee	PKR 2,500
Total	**PKR 6,500**
Discount	PKR 500
Net Amount	**PKR 6,000**

Due Date: 10 Jan 2025

4.3 Invoice Status

Status	Condition	Action
Pending	No payment made	Awaiting payment
Partial	Paid < Net Amount	Balance remaining
Paid	Paid = Net Amount	Complete
Overdue	Past due date + unpaid	Follow up needed

Chapter 5

Payment Collection

5.1 Recording Payments

Navigate to `Fees` → `Collect Payment`

1. Search and select student
2. View pending invoices
3. Select invoice(s) to pay
4. Enter payment amount
5. Select payment mode
6. Enter reference details (if applicable)
7. Confirm payment
8. Print receipt

5.2 Payment Modes

Cash | **Bank Transfer** | **Cheque** | **Online**

5.2.1 Payment Mode Details

Mode	Required Information
Cash	No additional details required
Bank Transfer	Bank name, Reference number
Cheque	Bank name, Cheque number, Cheque date
Online	Transaction ID, Platform name

5.3 Payment Receipt

After successful payment:

- Receipt automatically generated
- Unique receipt number assigned
- Option to print or email receipt
- Invoice status updated automatically

Chapter 6

Concessions & Discounts

6.1 Overview

Concessions allow you to apply discounts to student fees based on various criteria.

6.2 Concession Types

Percentage	**Fixed Amount**
e.g., 20% off	e.g., PKR 500 off

6.3 Creating Concessions

Navigate to `Fees` → `Concessions` → `Add`

Field	Required	Description
Student	Yes	Select student
Fee Type	No	Specific fee or all fees
Discount Type	Yes	Percentage or Fixed
Discount Value	Yes	Amount or percentage
Reason	No	Reason for concession
Start Date	Yes	When concession begins
End Date	No	When concession ends

6.4 Common Concession Reasons

- Sibling discount
- Staff child
- Merit scholarship
- Financial hardship
- Early payment discount

Chapter 7

Defaulter Management

7.1 Identifying Defaulters

Navigate to `Fees` → `Defaulters`

Defaulters are students with:

- Overdue invoices
- Balance exceeding threshold
- Multiple unpaid months

7.2 Defaulter List

Student	Class	Outstanding	Months Due
Ahmed Khan	5A	PKR 18000	3
Fatima Ali	7B	PKR 12000	2
Bilal Hassan	3C	PKR 6000	1

7.3 Taking Action

For each defaulter, you can:

- View complete fee history
- Send reminder notification
- Print outstanding statement
- Apply concession if needed
- Record partial payment

Chapter 8

Fee Reports

8.1 Available Reports

Report	Description
Collection Report	Daily/monthly collections summary
Outstanding Report	All unpaid amounts
Defaulters Report	Students with overdue fees
Class-wise Report	Fee status by class
Invoice Report	All invoices with status
Payment Register	All payments with details
Concession Report	All discounts applied

8.2 Collection Summary

Total Billed	Collected	Outstanding
PKR 1.2M	PKR 950K	PKR 250K

8.3 Exporting Reports

1. Select report type
2. Choose date range
3. Apply filters (class, status)
4. Select format (PDF / Excel)
5. Click Export
